

# SPRING CLEAN-UP OF STREETS AND SIDEWALKS

The Town of Renfrew has started its annual spring clean up, which includes the cleaning of medians and the sweeping of streets and sidewalks.

Other spring activities, such as pothole repairs and the repair of damaged grass along streets and sidewalks will take place when topsoil is available.

## *What can you do to help?*

- Do not rake or blow leaves, lawn clippings and other debris onto the roadway or sidewalk.
- Pick up litter and encourage others not to litter.
